

2 BLOCKS OF ART – 10.13.2017, 5-9 PM

The 7th Annual 2 BLOCKS OF ART art walk and block party is scheduled Friday, October 13th, 2017 from 5 p.m. to 9 p.m. As with the six previous years, this free event will bring over 75 artists in some 25 locations on two blocks, 6th Street from Market to Howard Streets. The art walk will feature a range of art exhibits and live performances in galleries, bars, restaurants, a laundromat, coffee shops and a number of other storefronts.

New this year will be the **premiere of a large-scale lighting art projection with a superhero theme** on the back of 16-story high 995 Market Street, coupled with the closure of Jessie Street and the parking lane on the west side of 6th Street from Market to Mission Street to provide for a viewing area.

This viewing area will allow 2 Blocks of Art attendees to enjoy the lighting art projection from 7 p.m. to 9 p.m. The Jessie block closure will feature a stage for musical performances.

2 Blocks of Art will also bring 'Sketch the Block' back for a 2nd year. Co-produced with Sketchpad Gallery, this one-night sketch con hosts artists in the fields of visual concept, comic books, and video games, offering affordable and accessible art to all.
